## COVID-19 UPDATE

As the country continues to re-open for business, we are seeing a rise in the number of Covid-19 cases in our communities. We are continuing to take precautions to keep both our staff and our membership safe throughout the current healthcare situation. We continue to clean often, and we are still limiting the number of members inside our building to one at a time. We encourage you to use the hand sanitizer we have available and wear a mask if you feel it necessary. Your Credit Union will continue to be available to serve you through our online HomeCU program and of course your debit card can be used for purchases and withdrawals. If you have any questions or concerns, please make them known to us. We are moving forward together!
